

ALBERTO PUERTO MUSIC

WELCOME

At Alberto Puerto Music, we want every child to feel inspired and comfortable in their first class. Here's what parents can expect when their child begins their musical journey with us.

WHAT TO EXPECT

- The professor will perform a short piece on the guitar to spark curiosity and inspiration.
- The professor will ask the student about what they heard and observed, encouraging listening and reflection.
- A brief explanation of posture: how to sit, where to place the hands, and how the body works when playing guitar.
- Selection of the correct guitar size for the student.
- Adjustment of the footstool position and height.
- Learning to hold the instrument using the feet and the right arm.
- An introductory exercise on plucking the strings with the thumb (free stroke, right hand).
- An introductory exercise on plucking the strings with the index (i) and middle (m) fingers using rest stroke (only for students over 6 years old).
- Introduction to pressing the strings with the left-hand fingers.
