Spring Concert

II

June 12, 2022

12 pm

Miami Hispanic Cultural Arts Center

111 SW 5th Ave, Miami, FL 33130

Music. Events. Education.

Alberto Puerto Music is dedicated to advancing the role of the classical guitar in the Miami area. Our studio works to further a threefold mission.

Music. Our studio creates innovative recordings incorporating the classical guitar in various genres and brings these recordings to diverse spaces for the classical guitar.

Events. In collaboration with musicians throughout the region, we help event planners and hosts create the perfect musical experience for any event.

Education. We aim to be the only music school in the area that is focused on the guitar as a solo and collective instrument. Developing young musicians is at the core of what we do.

Director's Notes

Thank you for joining us for this *Spring Concert* at AP Guitar School. We are grateful for the continued dedication of our students and families, and we are excited to share these live performances with you.

Each student will be performing new repertoire, and we are enormously proud of how they have grown as musicians.

We are looking forward to their participation in the upcoming guitar orchestra and master classes this Fall term.

May your Summer be full of more great music and fun! Please stay in touch.

-Alberto Puerto

Miami Hispanic Cultural Arts Center

The Miami Hispanic Cultural Arts Center is the umbrella for some of Miami's most important artistic endeavors.
